

## STUDENT SURVEY

### *Bird & Habitat Study*

1. Migratory birds depend on coastal habitats along the “Pacific Flyway” because \_\_\_\_\_.
  - A) they need safe places to rest, feed, and hide
  - B) there is less trash near the ocean
  - C) people go to the beach and leave behind food
2. Small pieces of plastic have a negative impact on birds and coastal species because \_\_\_\_\_.
  - A) the plastic makes it hard for animals to see where they’re going
  - B) predators hide behind the plastic and then attack
  - C) animals confuse plastic for their prey and eat it
3. Sea birds are threatened by \_\_\_\_\_ and \_\_\_\_\_.
  - A) tide pools and seaweed
  - B) habitat loss and pollution
  - D) ocean currents and wind
4. To help protect wild birds, people should \_\_\_\_\_ and \_\_\_\_\_.
  - A) give them human food and pick up feathers from natural areas
  - B) stay away from the beach and never visit wetlands
  - C) pick up litter and volunteer to help restore natural areas
5. Climate change is causing all of the following problems EXCEPT \_\_\_\_\_.
  - A) sea level rise and storms are destroying coastal habitats
  - B) increasing the number of shark attacks
  - C) melting ice and warming oceans are threatening sea animals

6. How often do you think about the environment or animals?

- A) Never
- B) Less than once a month
- C) A few times a month
- D) About once a week
- E) More than once a week

7. How often do you pick up litter that is not your own?

- A) Never
- B) Less than once a month
- C) A few times a month
- D) About once a week
- E) More than once a week

8. I feel it is important to help the wildlife living in our oceans and natural areas.

- A) Not at all
- B) Not really
- C) Kind of
- D) Pretty much
- E) Definitely

9. I feel it is important to protect wetlands and coastal habitats.

- A) Not at all
- B) Not really
- C) Kind of
- D) Pretty much
- E) Definitely

10. I feel that I can help solve environmental problems.

- A) Not at all
- B) Not really
- C) Kind of
- D) Pretty much
- E) Definitely

11. How often do you share or talk about what you know about nature with your family?

- A) Never
- B) Less than once a month
- C) A few times a month
- D) About once a week
- E) More than once a week

12. How often do you share or talk about what you know about nature with your friends?

- A) Never
- B) Less than once a month
- C) A few times a month
- D) About once a week
- E) More than once a week

13. In the future, how often will you share or talk about what you know about nature with your family?

- A) Never
- B) Less than once a month
- C) A few times a month
- D) About once a week
- E) More than once a week

14. In the future, how often will you share or talk about what you know about nature with your friends?

- A) Never
- B) Less than once a month
- C) A few times a month
- D) About once a week
- E) More than once a week

15. How much do you know about the animals that live near you?

- A) Nothing
- B) Very little
- C) Some
- D) Quite a bit
- E) I'm an expert

16. How much do you know about how to help the animals that live near you?

- A) Nothing
- B) Very little
- C) Some
- D) Quite a bit
- E) I'm an expert

17. Which organization is responsible for conserving wildlife and plants in your community?

[select all that apply]

- A) City Council
- B) Fish & Wildlife Service
- C) Chamber of Commerce
- D) Animal Control Service
- E) Park & Recreation Department

18. Which of the following is the description of a national refuge?

- A) Any place with native wildlife that includes plants and animals
- B) A zoo or aquarium where animals live
- C) Area designated for the protection of wild habitats and animals
- D) Any place for nature, where people are not allowed to go

19. How much do you enjoy exploring nature?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

20. How important is it to conserve natural resources?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

21. How important is it to protect animals?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

22. How important is it to protect habitats?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

23. How important to you is nature in your community?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

24. How much do you care about nature in your community?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

25. How important is the refuge in your community?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

26. How likely are you to volunteer to clean-up a habitat in your community?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

27. How likely are you to volunteer to plant a tree in your community?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

28. How likely are you to participate in a conservation project in your community?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously

29. How interested are you in a career that involves some aspect of science?

- A) Not at all
- B) Very little
- C) Some
- D) Quite a bit
- E) Tremendously
